

CASE STUDY

Dandy x Madison Ave Consulting Salesforce that scales with a company reshaping dental labs

Dandy is reshaping dental labs with technology that actually works for the people using it. We have been partnering with their Salesforce team since **May 2021**.

What We Built

SEVEN SALESFORCE PROJECTS. ONE CONNECTED REVENUE ENGINE.

Sales Cloud

Optimization to unlock deeper platform value across the entire revenue org.

Salesforce Maps

Replaced Spotio for the national field sales team. Faster routing. Better coverage.

Territory Planning

Automated account assignment. No more manual territory management.

Salesforce Scheduler

60 training staff coordinated across North American time zones.

GetFeedback NPS

Live surveys posted to Slack in real time.

Slack Integration

Customer success visibility where teams already work.

End-to-End Integration

Seven systems connected into one seamless revenue engine.

The Results

NUMBERS THAT SPEAK FOR THEMSELVES

185

New Licenses

Salesforce licenses deployed across the organization.

13%

NPS Increase

Net Promoter Score growth post-implementation.

1,775

Opportunities

New pipeline opportunities created.

7

Systems Integrated

End-to-end across the revenue stack.

5

Teams Onboarded

Additional teams added post-optimization.

What the Client Said

“

"The team was incredible. They accomplished a project which took 3 months at my previous company in **1 month** at Dandy."

”

**Raymond
Miao**

Director
of
Strategy,
Dandy

Speed is not a nice-to-have for companies like Dandy. It is the competitive advantage. Our team delivered without cutting corners.

Why It Worked

FAST-MOVING COMPANIES NEED CONSULTING THAT KEEPS UP

Admin on Demand

20 hours per week. Flexible, senior-level support exactly when it is needed.

Professional Services

Implementation and integration handled by specialists who have done it before.

Senior Talent

Direct access to experienced Salesforce professionals. No hand-offs. No delays.

Consistent Delivery

Transparent cadence. Predictable progress. No surprises.
