

CASE STUDY

Anchor Health x Madison Ave Consulting

Healthcare operations built for the pace of care

A six-month transformation that turned a patchwork of legacy systems into a single source of truth for intake, recruiting, onboarding, and case management.

The Client

Anchor Health is a rapidly expanding in-home healthcare provider operating across multiple states.

The Partner

Madison Ave Consulting. Salesforce excellence for healthcare organizations ready to scale.

Outgrowing the tools that built them

Anchor Health was scaling fast. Their legacy systems could not keep up.

Slow Onboarding

Bringing new caregivers on board took weeks. Every delay meant patients waiting longer for care.

Spreadsheet Dependency

Critical workflows lived in spreadsheets. Version control was a daily battle.

Fragmented Data

Information scattered across disconnected platforms. No single source of truth existed.

Care Quality at Risk

Operational chaos threatened the quality of patient care. The stakes could not be higher.

THE SOLUTION

Pulse on Salesforce, end to end

Madison Ave Consulting deployed Pulse for intake, recruiting, onboarding, and case management across multiple states. Delivered in six months.

White-Glove Team

Dedicated implementation specialists embedded with Anchor Health from day one.

Zero-Loss Migration

Sophisticated data migration. Every record preserved. No gaps, no surprises.

EMR Integration

Direct, live connection to their existing electronic medical records system.

Salesforce AI

Built on Salesforce Lightning with AI capabilities ready to scale with the business.

THE RESULTS

Outcomes that move the business

\$50K+

Annual Savings

Eliminated legacy licensing costs immediately after go-live.

2x

Team Productivity

Intake teams doubled their output across the board.

2x

Caseload Capacity

Each intake rep now processes twice the caseload as before.

360°

Patient View

Complete visibility into every patient and caregiver relationship in real time.

Live data flows directly between Pulse and their EMR system. No manual syncing. No lag. Just truth.

CLIENT VOICE

What the client said

"This is the most advanced system we have encountered. The Pulse team showcased capabilities that simply do not exist in other solutions."

Nochum Paltiel Director of IT, Anchor Health
