

CLIENT SPOTLIGHT

MadHive x Madison Ave Consulting

Salesforce for the programmatic CTV leader.

MadHive is the leading programmatic CTV advertising platform built for local markets. Based in NYC, they power advertising for broadcasters and advertisers across the country.

The Platform

Programmatic CTV.
Local markets. National scale.

PARTNERSHIP

The Partnership

Madison Ave Consulting has been MadHive's Salesforce consulting partner since the very first implementation in July 2020. Our work has touched every layer of their Salesforce environment.

Sales Cloud

Full implementation from the ground up

Slack Integration

Real-time team visibility across the org

Products

Programmatic ad product catalog built out

DocuSign

Contract workflows streamlined end to end

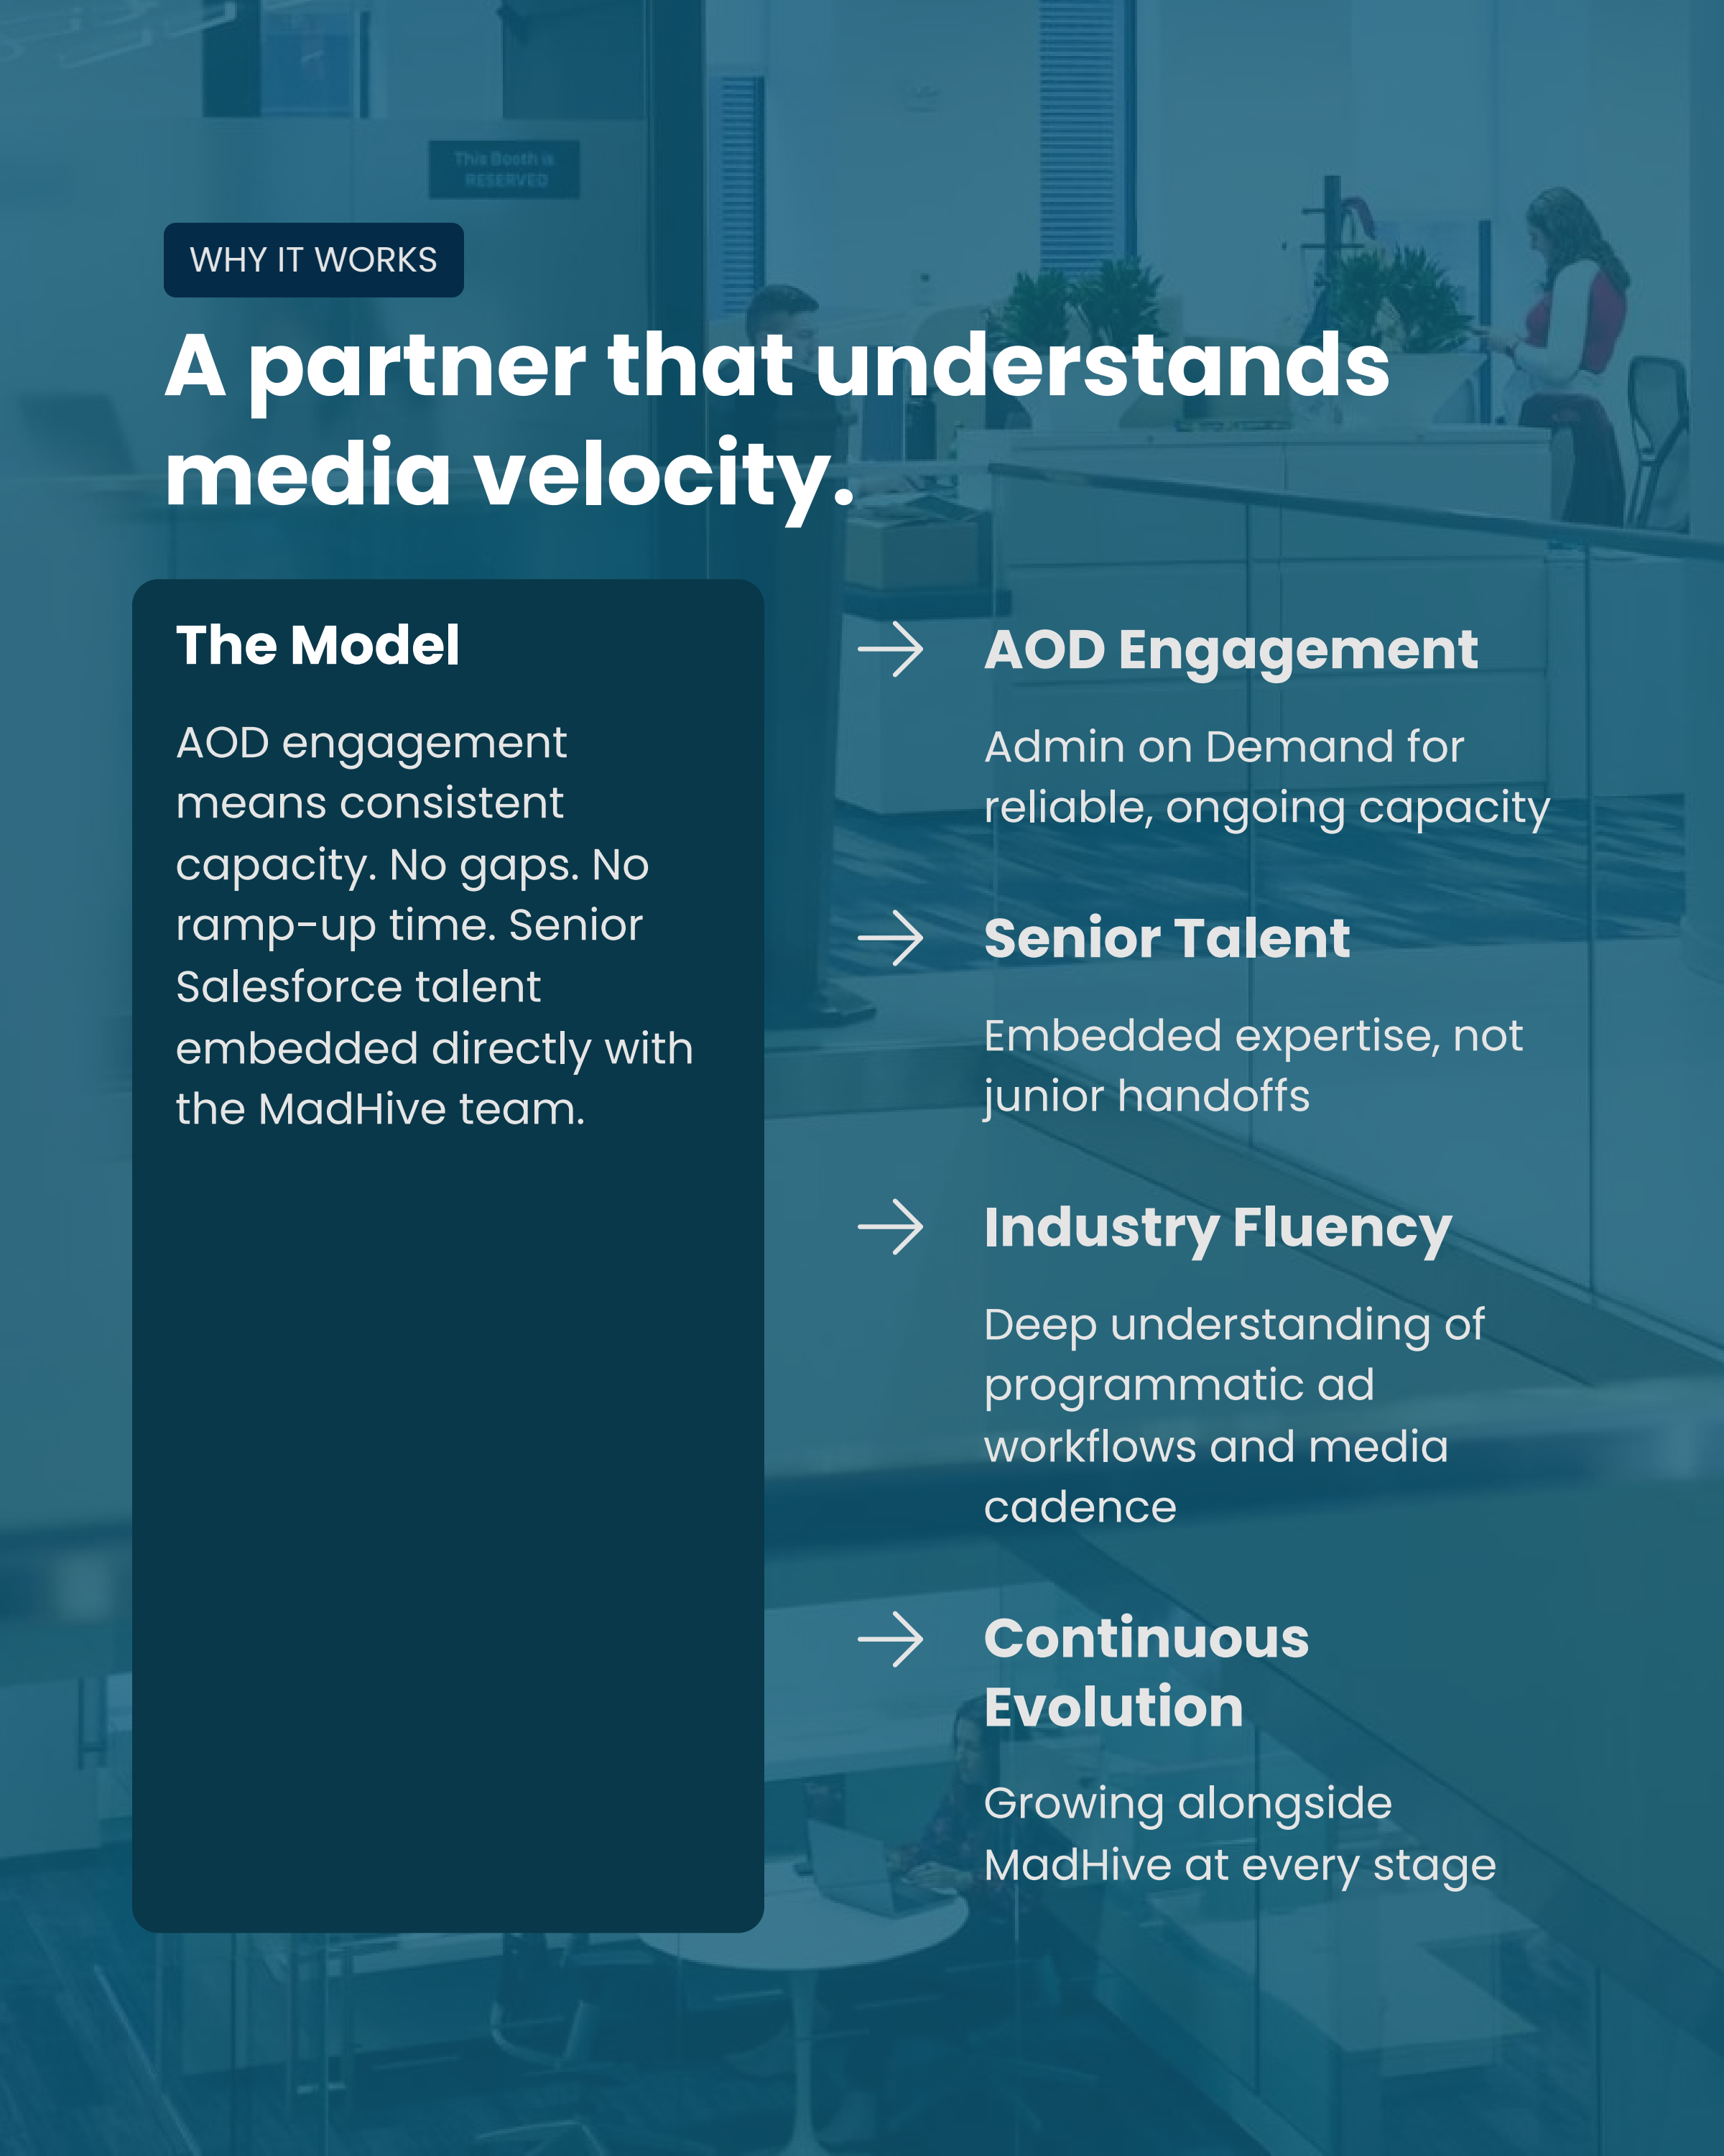

Data Migration

Clean transition from legacy systems

Conga Contracts

Legal operations fully automated

WHY IT WORKS

A partner that understands media velocity.

The Model

AOD engagement means consistent capacity. No gaps. No ramp-up time. Senior Salesforce talent embedded directly with the MadHive team.

- **AOD Engagement**
Admin on Demand for reliable, ongoing capacity
- **Senior Talent**
Embedded expertise, not junior handoffs
- **Industry Fluency**
Deep understanding of programmatic ad workflows and media cadence
- **Continuous Evolution**
Growing alongside MadHive at every stage

THE BIGGER PICTURE

Media moves fast. Programmatic moves faster.

MadHive needed a Salesforce partner who could keep pace with both. Not deliver and walk away. Evolve the platform continuously as the business scales.

That is exactly what Madison Ave Consulting delivers.

Madison Ave Consulting

Salesforce excellence for media and ad tech.

2020

Partnership Start

In it from day one

6+

Initiatives Delivered

Across every layer of Salesforce

1

Trusted Partner

Consistent. Senior. Embedded.
