

CASE STUDY

MadHive x Madison Ave Consulting

Salesforce for the programmatic CTV leader

MadHive is the leading programmatic CTV advertising platform built for local markets. Based in NYC, they power advertising for broadcasters and advertisers across the country.

Since July 2020, multiple initiatives

Madison Ave Consulting has been MadHive's Salesforce consulting partner since the very first implementation. Our work has touched every layer of their Salesforce environment.

1

Sales Cloud

Full implementation from the ground up

2

Slack Integration

Real-time team visibility across the org

3

Products Catalog

Programmatic ad product catalog implementation

4

DocuSign

Streamlined contract workflows

5

Data Migration

Clean transition from legacy systems

6

Conga Contracts

Full legal operations implementation

WHY IT WORKS

A partner that understands media velocity

AOD Engagement Model

Consistent capacity on demand. No gaps. No delays.

Senior Talent

Experienced Salesforce professionals embedded with their team.

Industry Fluency

Deep understanding of programmatic ad workflows and media cadence.

Continuous Evolution

The platform grows as MadHive grows. Always.

The Bigger Picture

Media moves fast.

Programmatic moves faster. MadHive needed a Salesforce partner who could keep pace with both. Not deliver and walk away. Evolve continuously.

That is exactly what Madison Ave Consulting does.

Built for media

We speak the language of ad tech and broadcasting.

Built to last

Long-term partnerships. Not one-time engagements.

Built to scale

Salesforce excellence that grows with your business.

Madison Ave Consulting | Salesforce excellence for media and ad tech
