

PARTNERSHIP SPOTLIGHT

Centers Health Care x Madison Ave Consulting Salesforc e Beyond Go-Live

Centers Health Care is a leading post-acute care, skilled nursing, rehab, and senior services provider. Our partnership goes well beyond the initial implementation.

What is Salesforce Beyond?

A flexible, reliable operating model for Salesforce teams

Salesforce Beyond is not staff augmentation. It is not project-based consulting. It is a framework for organizations that want to get more out of Salesforce without overloading their internal staff.

Bi-Weekly Cadence

Manage and prioritize backlog items on a consistent rhythm.

Training and Coaching

Support for functional and technical team members at every level.

Task Management Board

Clear visibility and tracking across all active work.

Scope Forecasting

Timeline and scope informed by deep technical experience.

Technical Guidance

Health checks, maintenance, tech debt reviews, and release readiness.

DELIVERY MODEL

How It Works

A consistent three-person delivery model

Lead Consultant

Provides direction and oversight across the entire engagement.

Project Manager

Facilitates planning, communication, and delivery from start to finish.

Technical Resource

Handles development, code review, and best practices enforcement.

The core team augments the client's internal capacity with experienced external resources, exactly when and where they are needed.
