THE CHALLENGE

Campaign management by spreadsheet

Disconnected Tools

Budgeting, planning, and execution lived across siloed systems with no single source of truth.

Manual Overhead

Regional sales managers manually shepherded every campaign from start to finish.

Slow Approvals

Internal and external approval cycles dragged on for months, stalling execution.

Blind ROI

Visibility into campaign performance was inconsistent at best across regions.

THE BIGGER PICTURE

Marketing ops that makes the revenue engine work

Good marketing operations is invisible when it works. The Kilpatrick Group engagement included additional Salesforce projects across Tableau, VPA Portal, and Lobster Rollout, continuing the broader digital transformation of their adult care marketing organization.
