

PARTNERSHIP SPOTLIGHT

# Centers Health Care x Madison Ave Consulting

**Salesforce Beyond** — Go-Live is Just the Beginning

Centers Health Care is a leading post-acute care, skilled nursing, rehab, and senior services provider. Our partnership goes well beyond the initial implementation.

# What is Salesforce Beyond?

## A flexible, reliable operating model for Salesforce teams

Salesforce Beyond is not staff augmentation. It is not project-based consulting. It is a framework for organizations that want to get more out of Salesforce without overloading their internal staff.

### **Bi-Weekly Cadence**

Manage and prioritize backlog items on a consistent rhythm.

### **Training and Coaching**

Upskill functional and technical team members continuously.

### **Clear Visibility**

A dedicated task management board for tracking every item.

### **Scope Forecasting**

Timeline and scope informed by deep technical experience.

### **Technical Guidance**

Health checks, maintenance, tech debt reviews, and release readiness.

# How It Works

## A consistent three-person delivery model

Every Beyond engagement is built on a proven team structure. Experienced external resources, exactly when and where they are needed.

### Lead Consultant

Provides direction and oversight across the engagement.

### Project Manager

Facilitates planning, communication, and delivery.

### Technical Resource

Handles development, review, and best practices.

## The Centers Engagement

A long-term managed services partnership built on trust, flexibility, and results.

SINCE 2022

## What We Deliver

### Marketing Cloud Enhancements

Optimized patient journey touchpoints across every channel.

### Managed Services Partnership

Ongoing support since 2022 with no gaps in coverage.

### Environment Optimization

Continuous improvement of their Salesforce ecosystem.

### Flexible Scaling

Capacity that grows and adapts as their needs evolve.

# Why It Matters

## Fewer Headaches

A stable, reliable platform your team can count on every day.

## Constant Improvement

Ongoing optimization keeps Salesforce relevant to your changing processes.

## Productive Teams

When Salesforce works well, your people work better.
