

CASE STUDY

The Kilpatrick Group x Madison Ave Consulting

Campaign management, digitally transformed

The Kilpatrick Group operates at the intersection of media, marketing, and adult care. Their campaign management process touched every regional sales manager and every marketing decision.

THE CHALLENGE

Campaign management by spreadsheet

Disconnected Tools

Budgeting, planning, and execution lived across siloed systems with no single source of truth.

Manual Overhead

Regional sales managers manually shepherded every campaign from start to finish.

Slow Approvals

Internal and external approval cycles dragged on for months, stalling execution.

Blind ROI

Visibility into campaign performance was inconsistent at best across regions.

THE SOLUTION

End-to-end campaign management on Salesforce

Madison Ave Consulting rebuilt the entire campaign workflow inside Salesforce, from intake to final execution.

Unified Planning

Campaign planning and budgeting consolidated into one platform.

Structured Approvals

Defined approval flows for both internal and external reviewers.

Real-Time Visibility

Live campaign status across every region, always current.

Tool Integration

Seamless connection with Tableau and custom portals already in use.

THE RESULTS

Time returned to the people who drive the business

190+

Hours Saved

Annually per regional sales manager.

2mo

Director Effort

Of marketing director time reclaimed each year.

60

Days Cut

Removed from the planning and approval timeline.

Campaign tracking standardized across all regions. One process. One platform. Full visibility.

THE BIGGER PICTURE

Marketing ops that makes the revenue engine work

Good marketing operations is invisible when it works.

Beyond Campaign Management

The Kilpatrick Group engagement extended across Tableau, VPA Portal, and Lobster Rollout. A broader digital transformation of their adult care marketing organization.

What This Means

- Salesforce as the operational backbone
- Integrated tools that talk to each other
- A marketing org built to scale
